Authors Top 200: From J.K. Rowling to T. Harv Eker, These Are the Most Influential Authors in the World

👤 DERIN CAG 📖 2 Min Read

Whether you're a would-be Author or have spent decades being one. You could be worse-off than to read the short biographies of Authors who've been through the journey before.

So we've compiled a list from top Authors. It's a list of influential people at effectively having soft-power and being pro-active, particularly in the digital sphere.

Here's what some of them said about this list:

The Richtopia Authors list is compiled using a number of metrics combining to produce rank order. Two of the main influencers on a persons ranking are their social media profiles and regular media coverage. Our sister company Marketing Runners specialises in increasing the influence of brands and personalities. If you are a person or company that wants greater exposure you can contact the Marketing Runners team who will be able to help.
